ANNA KRUG

I'm Anna. I was born in California, raised in Utah, and graduated from college in Colorado. I married my librarian pen pal in 1983 and moved to Mt. Carmel Illinois. Our first child, Annaka, was born there. She was homeschooled 4th - 12th grade, graduating in 2002. She used SL levels 100, 200 and 400. She has now graduated from college and is married to Rob.

We moved to St. Louis, MO in 1984, and our second child, B.J., was born there. He was homeschooled from 1st - 12th, graduating from high school in 2005. He used SL levels 1 - Brit. Lit. He is now a college sophomore and engaged to Emily. Caleb was born in 1992 after we moved to Bethany, WV in 1988. He has always been homeschooled (and has used SL every year except the year we focused on TN history, and that year he did use SL science). He is now a high school freshman, doing level 100.

In 1997 we moved to Jefferson City, TN. It was in Tennessee that we became foster parents. We were approved in 2000, and though we had 5 children come and go, it wasn't until 2002 that we got our "keeper". Emmaleigh was our 6th foster child. She joined the family when she was a tiny little thing just 5 days old. After years of waiting, her adoption was finalized in September of 2006, a week before we closed on our new home in Seymour, TN and 3 weeks before her 4th birthday.

This is my 8th year as an SCC (I think... I'm trying to remember!) I do the Knoxville, TN event. I have also done Chattanooga, Nashville and Des Moines, Iowa in previous years.
