

Introduction to the World: Cultures

Week 17

The informality of teaching with literature allows for lots of flexibility during this favorite part of the school day. Besides relaxing on the couch, you might try snuggling on mom's bed, or enjoying some sunshine and fresh air out on the porch or on a blanket in the yard. Some families enjoy having Read-Aloud time during meals, or at bedtime.

Teaching Moments and Hands-On Activities

For printable activities and coloring sheets to go along with this week's stories in *Egermeier's Bible Story Book* see Lessons 91-96 at <http://children.calvarychapel.com/site/curriculum.htm>.

Browse www.uga.edu/~lam/kids/index.html and www.ask-the-vet.com/kids.htm for more information about veterinarians and various kinds of animals to go along with *The Story of Doctor Doolittle*. Lots of animal activities are available at www.enchantedlearning.com/themes/animals.shtml.

Visit a pet store (or better yet, a zoo) to see different kinds of animals this week. See how many of Doctor Doolittle's animals you can find.

Add pages to your animal scrapbook as you read about different animals in *The Story of Doctor Doolittle*.
