DEBBIE MILLER

My name is Debbie Miller. My husband, Richard, and I have been married for almost 17 years, and we have four wonderful children. We have three boys ages 13, 11, and 8 years old. Our daughter is 5 years old. We currently live in Abu Dhabi in the United Arab Emirates. Otherwise, our home is in Bailey, Colorado. Bailey is southwest of Denver and up in the Rocky Mountains. The two places – one a Muslim country, hot, humid, sandy, and at sea level and one a “Christian” country, cool, dry, and definitely high altitude – are vastly different from one another. Yet, we find that with family, friends, and the body of Christ, both places have a lot in common.

I began homeschooling when my oldest was in 2nd grade. We started with Sonlight, and we have never looked back. During this time we have used every level from Sonlight PreK – Core 100.

I love to share Sonlight with other families. I started working as an assistant in a Sonlight booth after my very first year with Sonlight. For the past four years I have represented Sonlight as a SCC in Colorado and New Mexico. I am also part of the Moderator and Advisor Teams for Sonlight.

Prior to children, I received a BA in economics and statistics. I worked as a statistician for both the United States Census Bureau and an insurance company. Since leaving work to start a family, I have been a counselor at several crisis pregnancy centers. I love helping women and their children. I suppose that is part of what made working for Sonlight and helping parents make homeschooling decisions for their family so natural.

When not homeschooling, I enjoy camping, being a “swim mom,” and spending time with my family.
