

Usborne Encyclopedia of World History Schedule for Core H

Dear Friend,

I hope you and your family are enjoying a great year.

Thank you for ordering Sonlight's Core H: *World History, Year 2 of 2*. If you are continuing your World History studies from Sonlight's Core G: *World History, Year 1 of 2*, you may already own the *Usborne Encyclopedia of World History* (item GH07). This year we have scheduled a different version of this title, *Usborne Encyclopedia 12,000 of World History*. This new version includes only the pages that Sonlight schedules, so the page numbers are different while the content in the remaining pages is the same.

Here is a schedule to update your Instructor's Guide, if you already own *Usborne Encyclopedia of World History* and do not plan to use the new edition *Usborne Encyclopedia 12,000 Years of World History*. Simply use these scheduled pages in place of the ones that are in this Core H Instructor's Guide. Below each assignment, you will see gray page numbers for the new edition that are referenced in the Note section.

If you have any questions or concerns regarding this product update, please feel free to contact me or any member of my Customer Relations Team. You can reach me or my team at (303) 730-6292, 9:30 am to 4:30 pm Mountain Time Monday through Friday, or email us anytime at main@sonlight.com.

Thank you for making Sonlight part of your homeschool day.

Sincerely,

Tim Heil
