KELLY VERNON

Kelly Vernon lives in Omaha, Nebraska, with her husband Joe and four sons, Hamilton, 16; Henry, 10; Hughes, 7 and Hudson, 4. We moved to Omaha in October 2005 from Eau Claire, Wisconsin. We have also lived in Boise, Idaho; Concord, Greenville, Fayetteville, Jacksonville, North Carolina; Atlanta, Georgia; Cocoa Beach, Florida and a brief stay in South Jersey. Kelly is from North Carolina and Joe grew up in South Florida.

Our home school journey began in 1996 and has been the biggest blessing to our family. In our spare time, Joe and I like to write. Joe, however, has been published, where Kelly has not - yet. I joined Sonlight as a Consultant in 2004 while living in Wisconsin. I was asked to cover the Des Moines convention and have been going back every year since, in spite of those hot temperatures in the building. Hey, I get to talk about home schooling, families, and curriculum. My favorite topics.

We really enjoy living in the mid-west and are anxious for the opportunity to visit some nearby states. If ever in the neighborhood, stop by for some southern hospitality, albeit a bit due north and west!
