## LISA KERSEY

I was born, raised in NYC, and live in Nashville, Tennessee now.

I went to the University of Albany and studied Psychology and Business.

I have always enjoyed working from babysitting to selling books door to door with the Southwestern Company to being a Sonlight CC.

I love all sports and outdoor activities. My favorite adventure was a white water rafting trip down the Colorado River in the Grand Canyon for 8 days this summer.

I am a Gold Award Girl Scout and help lead a multi level Girl Scout Troop with 25 girls. We have a blast.

I love being a Mom to Megan who is 13, Hannah who is 10, Tori who is 8 and Joshua who is 6. We are pursuing adopting a boy from Honduras named Caleb who we hope is between 3 and 4 years old.

I teach 2 year olds at our church and am reminded every Sunday that God is so good, He is the boss and that God made everything.

I love my husband Bill who is a graphic artist working in an office in our home. We make a great team and have a wonderful relationship.

I am an atrocious speller and not a researcher so I thank God everyday for Sonlight that does the work in my weak areas. I love laying in the living room with my 4 children and dog, right outside of Bill's office just after lunch reading awesome books.

I became a Christian on a beach in the Bahamas at AM one morning after staying up all night partying and dancing.

My high school graduating quote was live, love and laugh. I still believe in that today!
