SCC Team
February 7-10, 2007

LYNN WOODLEY

I was born in Minn. MN. My family moved to Whitefish, Montana when I was 7. After earning degree in Clothing and Textiles Business from the University of Montana, I got a job as a Buyer/Merchandiser.

I met Tim at a Rodeo fundraiser near Bozeman, and after 22 years we have moved a total of 12 times. Soon after we married we moved to Fairbanks Alaska, and I continued my Buying/Merchandiser career, 2 years later we moved to Whitefish, Montana, my home town. While there, I took a FUN job (I got to ski off and on throughout the day, how much better can it get, and the job supplied my ticket!).

We moved to Pullman Washington a few years later, where Tim furthered his education. I worked in the Graduate School as a Program Manager. We then moved to Bothell, WA, Port Townsend, WA, then Springfield, Or, then on to Wilsonville, Oregon and then 1 1/2 miles down the road to Aurora, Oregon. (I haven't included all our moves. Tim working for an international construction company caused most of the moves. No longer! whew)

After years of prayers we had our son, who is now 11. We celebrated our 22nd anniversary on the 22nd of December 2006. Having 11 years before Parker and 11 years with him. (I love numbers)

Each summer we have continued to develop our landscaping, this past summer building a pool and patio around it. It is fun to see it shaping and the trees growing. I just bought 5 more trees (fruit) to plant! Hopefully I will have them planted by the time STC happens) And I am currently trying to pair down my seed order for my garden! I like produce for canning but would much rather pick berries and cut beautiful flowers from my garden.

I am the Education Partner in a Women's Investment club, lead the music at vacation bible school, and am the Administrator and Art teacher for our homeschool co-op. I am the organizer for the south end of the Portland metro area, to take homeschool groups to the live theatres in downtown Portland. This year I am also the organizer for our 4H club. We meet one day a month from 9-2. We lead Horticulture, Sewing (I am the sewing leader), Photography, Cooking, and Jr. Leadership. My family serves, at the church camp every summer for a week as Resource Staff. This next summer we will head to Whitefish so that I can attend my class reunion. We were a close class, so it will be fun to get together with them all again.

I look forward to seeing you all again, and meeting all the new gals!
With much love,
Lynn J. Woodley
