Math-U-See Sets

New Curriculum Sets offer:

- ✓ Everything you need at a discounted price
- ✓ Resources for all levels of Math-U-See
- ✓ Choices for new and returning customers
- ✓ 12-month access to Demme Digital Packs
- ✓ No add-ons or surprises

Universal Sets

Includes everything you need for a successful experience with each Math-U-See level:

- | | | |
|------------------|---|---|
| Instruction Pack | ✓ | Instruction Manual with complete solutions |
| | ✓ | Instruction DVD |
| Student Pack | ✓ | Student Workbook |
| | ✓ | Tests book |
| | ✓ | Necessary manipulatives |
| | ✓ | 12 months of access to our new Demme Digital Pack |

Level Up Sets

If you have some or all of the required manipulatives, a Math-U-See Level Up Set is right for you.

- ✓ Level Up Sets for *Primer-Epsilon* include all items in the Universal Set minus the manipulatives.
- ✓ Level Up Sets for *Zeta-Algebra 1* also include Algebra/Decimal Inserts Kit.
- ✓ Level Up Base Sets for *Zeta-Algebra 1* do not include any manipulatives.

Important Notes:

- ✓ Customers purchasing *Epsilon* who need fraction overlays should purchase the Universal Set.
- ✓ Customers in *Geometry-PreCalculus* should purchase the Universal Set (only set available).
- ✓ No set available for *Calculus*. Purchase Instruction and Student Packs separately.

Demme Digital Packs

Demme Digital Packs are an enhanced version of our Instruction Packs.

Each Demme Digital Pack provides:

- Twelve months of access to streaming instruction videos
- Instruction Manual PDFs, accessible through any internet browser
- Online version of the Digital Manipulatives
- Other free online and downloadable resources based on level

Note: No Demme Digital Pack available for *Calculus*.
