Homeschool Version 2 Quick Reference Guide

| Level 1 Description | | | |
|---|---|---|----------------------------|
| <ul style="list-style-type: none">Level 1 is a Beginner level program, and it assumes zero proficiency in the language being learned. Students are immersed in the language from the very first lesson. Rosetta Stone is constantly interactive, so students stay engaged as they progress through the program. Level 1 is designed to take students through basic language structures and basic conversation | | | |
| Level 2 Description | | | |
| <ul style="list-style-type: none">Level 2 is an intermediate level program that builds on what was learned in Level 1. Students will see more advanced language and grammar structures than they were introduced to in Level 1. By the end of Level 2, students should have tools necessary for conversational language. | | | |
| Student Lesson Planning and Tracking | | | |
| <ul style="list-style-type: none">The Student Management System allows parents to track student progress, lesson plan, and print reportsParents can choose from 2 paths of study or customize a pathThe SMS will track multiple students individually | | | |
