

# RosettaStone®

## Homeschool

## Make your homeschool multilingual.

Add an award-winning foreign-language program.

Choose Rosetta Stone® Homeschool and give your student a real advantage. It's the natural and effective way to teach your student a new language. (And it's so dynamic and interactive, it might become their favorite subject.)

### Here's what to expect from Rosetta Stone Homeschool:

- Proven, award-winning approach
- Engaging, interactive method
- Proprietary speech-recognition technology
- Predefined curricula and lesson plans
- Easy-to-use administrative tools for parents

**Rosetta Stone is Homeschool's #1 Foreign Language Software Curriculum.**

**Bring it home today.**
