

STC 2007 BIO

Advisor Team
February 7-10, 2007

TONNIE MASON

I am from Knoxville, TN and have been married for 20 years to Shawn. We have four children. Amanda is 15 and in 9th grade; Ashlynn is 11 and in 5th grade. Alonna is 8 and in 3rd grade, and Elliott is 23 months and into everything!

We have always homeschooled. We just resigned from leading our local support group, where we started a co-op that has grown to over 300 students. We continue to work closely with the President of our regional home school association, and are the "spokes-family" for the local media when it comes to home schooling issues.

Besides home schooling and working for Sonlight, I divide my time between being the yearbook advisor for our co-op, the chauffeur for all of the kid's activities and the leader of the dance and arts ministry at our church. I also work at the church with my husband in volunteer marriage counseling.
