WENDY YOUNG

I am a South African mom to 4 children, Jessica (12), Jonathan (10) Sarah-Joy (8) and David (5), and wife to Gavin for 16 years. We have always homeschooled using Sonlight as our primary curriculum. I have been a SCC for 6 years. Beside homeschooling and homemaking my interests are my reading, my webpage and the newly found mountain biking!

We love South Africa – the lifestyle, people, country and the hope for the future. We believe that part of homeschooling our children with Sonlight will stir in them a heart for the lost and for the poor in our country. We pray that they will make a difference here when they are older by creating employment for others and sharing the love of Christ to the poor and orphans.
